**Type:** Fiber cement | Facing tile

Nuanced translucent, natural fibre cement texture.

CLINAR CLIP - these are the easy to install facade panels, which consider appearance, time and budget. Thanks to pre-fixed mounting clips, CLINAR CLIP becomes a facade in no time. Three standard formats, installable with continuous or staggered vertical seams and numerous colors, offer many design options. CLINAR CLIP is the coherent combination of economy and aesthetics for a permanently functionally reliable facade.
