Type: Wood | Flex-Wood

Plywood

These boards contain an intermediate layer of textile. This layer can either be of colored fabric or of a acoustic active felt. Therefore, the visual effect is different from other boards and it offers additional acoustic absorption. It can be used as partition as well as to improve the room acoustics.

mtextur ID	22148
Manufacturer	Dukta
Manufacturer-Email	r.artmann@schreinerei-schneider.ch
Product Line	JANUS-TEX
Product Line Info	These boards contain an intermediate layer of textile. This layer can either be of colored fabric or of a acoustic active felt. Therefore, the visual effect is different from other boards and it offers additional acoustic absorption. It can be used as partition as well as to improve the room acoustics.
Material Name	Janus-Tex Bordeaux
Type	Wood / Flex-Wood
Material Info	Plywood
eBKP	C 2.2 Internal walls / G 3.2 Finished wall coverings
IFC	IfcCovering / IfcWall
Area of application	Inside / Wall
Delivery zones	CH / AT / DE / NL / US / CA / PT / ES / LI

Important legal notice regarding the use of the mtextur database and the mtextur datasheet

The mtextur database and the mtextur datasheets present a selection of digitally processed building materials, categorised by material type, subtype, colour range, field of application, manufacturer and product line. All content is provided for information and planning support purposes only and is non-binding. The colour appearance, pattern, surface characteristics and scale accuracy of the CAD & BIM textures may differ from the actual products supplied by the respective manufacturers. A binding or exact match cannot be guaranteed. For binding samples, technical specifications and product-specific details, only the respective manufacturer or distributor shall be authoritative. Please contact them directly for such information (enquiry link provided with the material). The content is compiled with due care and to the best of our knowledge. However, errors, omissions or deviations cannot be entirely excluded. The publisher of the mtextur database, h2c GmbH, as well as the listed manufacturers and distributors, accept no liability for the accuracy or completeness of the information provided, nor for any direct or indirect damages or consequential losses arising from the use of the mtextur database or the mtextur datasheets. Liability shall apply exclusively in cases of wilful misconduct.
