Type: Fiber cement | Plate

Nuanced translucent, natural fibre cement texture.

The large-format panels give facades what they need: a face, individuality, character, texture, color and, very importantly, a highly effective protective layer. LARGO allows an immense range of possibilities for the design of facades, with an extensive selection of surface options, various types of joints and fastenings, and panel formats that can be freely selected within the maximum useable size. For visible creativity and to meet the highest aesthetic requirements, in proven Swisspearl quality.
